INTRODUCTION

Inspired by [@oldturkey03](#)'s Guide on [Adding images to an existing question](#) I decided that this may be useful for new users! accepting answers allows other users who have the same issue as you to quickly find what fixed your issue, and most likely theirs too!

Step 1 — How To Accept an Answer
ⓘ Here is your question.

Step 2

ⓘ Looks like someone has a solution!

ⓘ You use this solution and it solves your issue! YAY! Not done yet though!

This document was generated on 2020-11-23 02:30:15 AM (MST).

Step 3

- The big blue button that says Accept Answer is what you want to click.

Step 4
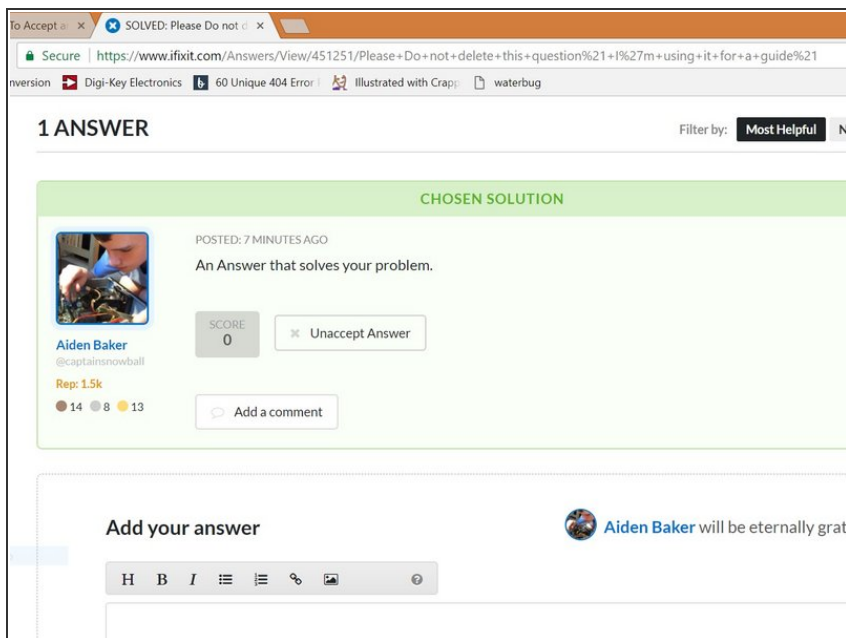

- (i) All Done!

- (i) Now the person who answered knows that his/her answer is correct and helpful.

Thank you for using iFixit.com for help!
