

Toshiba Satellite C50D-A Battery Replacement

How to replace the battery in your Toshiba Satellite.

Written By: Amber van Solingen

INTRODUCTION

We are going to teach you how to remove the battery pack from your computer. This is a simple process with no need for extra tools.

Step 1 — Battery

- Click button 1 to the unlocked position.

ⓘ This button will have a 1 by it.

Step 2

- Push and hold button 2 to the left.
- As you push button 2 to the left position, simultaneously lift up the battery pack.

ⓘ This button will have a 2 by it.

To reassemble your device, follow these instructions in reverse order.
