

Protocol TerraCopter EVO Back Wheels Replacement

Replacement Guide for Protocol TerraCopter EVO 's Back wheels.

Written By: Anna Gudima

INTRODUCTION

This guide will lead you through steps to remove the front wheels on the Protocol TerraCopter Evo. You going to pull the wheels out of the wheels plastic connector

Step 1 — Back Wheels

- Hold the wheel tightly and gently pull the wheel away from the drone.
- Repeat this for the other wheel.

To reassemble your device, follow these instructions in reverse order.
