

An example of a lighting setup

This guide shows @captainsnowball's common lighting setup.

Written By: Aiden Baker

INTRODUCTION

This guide shows @captainsnowball's common lighting setup.

PARTS:

- [Daylight LED](#) (2)
 - [Plain Paper](#) (10)
 - [Lego Minifigure](#) (1)
-

Step 1 — An example of a lighting setup

- I use 2 [Daylight LEDs](#) for the lighting. (meaning 2 lights)
- I also use [some printer paper](#). (without the sign)

Step 2

- An example.

Your results may be worse or better than mine shown.
