

## Hack HDX 80 Trash Lid

Owners said about 30x that the bags ripped when caught on the black plastic inner lip. Take it out!!

Written By: Paul Tast

## INTRODUCTION

Also, many people loved the form factor, but the bags ripped and the lid stopped working.

I fixed the lid not working by opening it up, discovering the wires are tiny and low quality. The problem was a detaches soldering. And then I re-soldered it.

## Step 1 — Here it is out.

- Just take it out. No more ripped trash bags.

---

To reassemble your device, follow these instructions in reverse order.
