

Toshiba Portege Z835-P330 Screen Replacement

This guide will assist you in replacing the screen.

Written By: Dominic Whiting

INTRODUCTION

This guide is to help you repair a broken or damaged screen for a Toshiba Z835-P330.

TOOLS:

- [Spudger](#) (1)
-

Step 1 — Screen

- Detach the frame from the housing clamps around the perimeter of the screen.

Step 2

- Remove the screen from its fasteners around the perimeter of the upper half.

Step 3

- Disconnect the [display cable connector](#) from the screen.

To reassemble your device, follow these instructions in reverse order.
