# HP 15-ac142dx Battery Replacement

Successfully guild you with descriptive instructions on how to replace the battery.

Written By: Nicole Mathieu

## Step 1 — Battery

- Turn off the computer and flip it upside down and place on a flat surface

- Push the <u>battery lock</u> on both sides, sliding them to each other, to unlock the battery

- Lift the battery from the center and remove

## Step 2

- Take the new battery and line it up with the slot.

- Insert it in and when you here a click you will know it is in place

To reassemble your device, follow these instructions in reverse order.
