

Samsung Galaxy S Battery Replacement

Replace the battery of a Samsung Galaxy S

Written By: Eric Park (ideaman924)

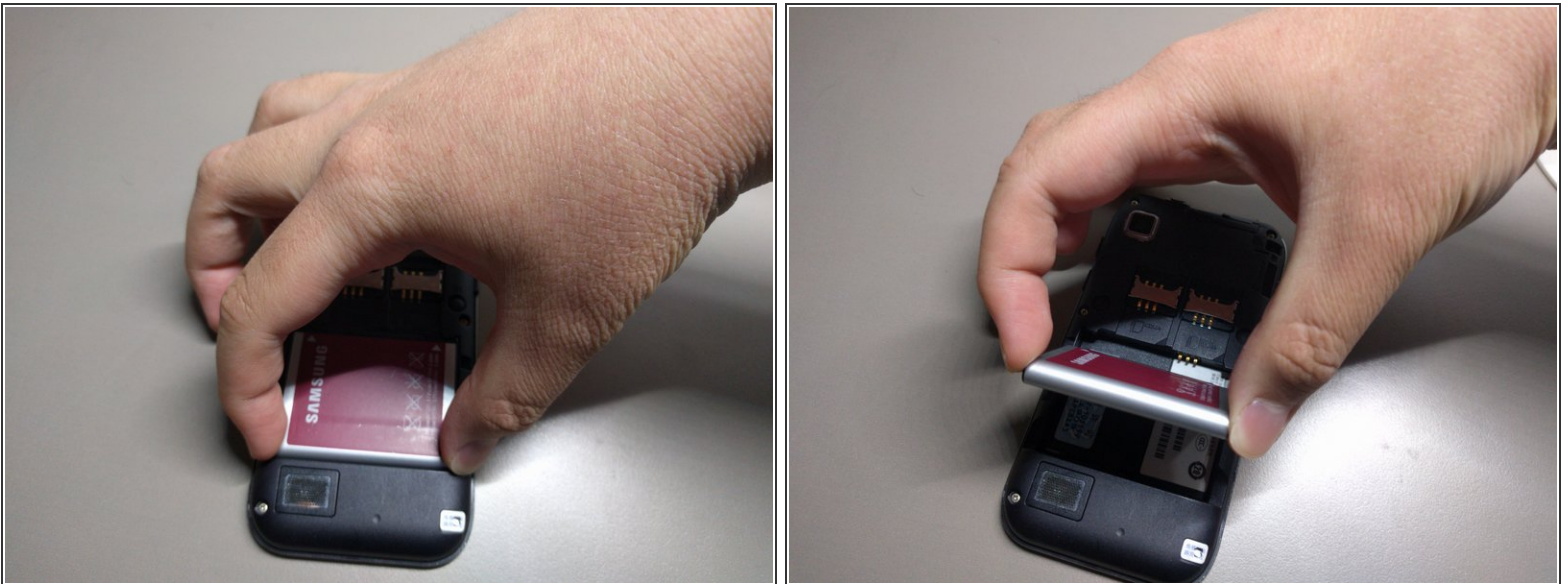

Step 1 — Remove back cover

- Here's our Galaxy S!
- Locate the back cover hinge, and pry underneath.
- The back cover should come loose.

Step 2 — Battery

- Grab the battery by the sides.
- Pull to remove the battery.

To reassemble your device, follow these instructions in reverse order.
