

# Escort Passport Max2 Exterior Case Replacement

This guide will help in replacing the Passport Max2's Exterior Case.

Written By: Kelsey Ferrenberg

## INTRODUCTION

Sometimes the outer case of the device can become cracked or damaged. This guide will show you how to remove the outer case.

---

### TOOLS:

- [Spudger](#) (1)
-

## Step 1 — Exterior Case

- Insert the flat end of a spudger into one of the two notches and pry off the case.

## Step 2

- Slide the spudger around the perimeter of the radar housing until the case separates.

### Step 3

- Repeat these steps to remove the other side.

To reassemble your device, simply place the pieces in their original places, and gently snap them closed.
