

Motorola W490 Phone Casing Replacement

This simple guide will allow the user to open or disassemble the phone case.

Written By: Will Edwards

Step 1 — Phone Casing

- Pick up the cell phone with the back facing towards you.
- Push down on the silver tab located at the top center of the back of the Motorola W490 cellphone.
- While pushing down on the silver tab, slide the back cover towards the silver tab. Remove the back cover.

To reassemble your device, follow these instructions in reverse order.
