

Shark DuoClean Powered Lift-Away Speed Filter Replacement

How to replace the filter on the Shark DuoClean Powered Lift-Away Speed. No tools are necessary for this.

Written By: Catie Halvorsen

INTRODUCTION

If the vacuum is not picking up debris, use this guide to help with the removal of both the dustbin and the filters.

Step 1 — Filter

- Pull up on the Dustbin Release button, and pull up on the handle to detach the dustbin.

Step 2

- Pull up on the filter tab to remove the large foam filter.

Step 3

- Pull up on the small tab to remove the filter pad.

To reassemble your device, follow these instructions in reverse order.
