

HP 15-g010dx Battery Replacement

This guide will show you step by step instructions on replacing the battery. It is very easy, and requires no tools.

Written By: Christopher

INTRODUCTION

This replacement guide will help aid you in swapping out the old battery for a new one. This guide is helpful if the battery is dead and or the computer will not power on.

Step 1 — Battery

- Slide the latch towards the center of the laptop so the unlock emblem appears.

Step 2

- Place your finger on the left latch and slide it towards the center of the laptop.

Step 3

- Pull on the battery to remove.
