

Coolpad Defiant Back Case Replacement

This guide will help complete removing the back cover to access other internal components. This is the essential guide for all other guides.

Written By: Edwin Onofre

INTRODUCTION

This is a pretty simplistic guide that will help you get started with the inner components.

TOOLS:

- [iFixit Opening Tools](#) (1)
-

Step 1 — Back Cover

- Turn the phone with the back cover facing towards you.
 - Carefully remove the back cover by holding one corner of the case and carefully pulling it away from the phone.
- ⚠ The plastic case and inner components can break if not pulled carefully, so pull cautiously.

Step 2

- Remove the back cover from your device.

To reassemble your device, follow these instructions in reverse order.
