Step 1 — Battery

- Flip MSI GP60 2PE Leopard, so that the back is facing up.

Step 2

- Find the unlock tab located on the upper right side of the device, then slide it to the right.

This document was generated on 2020-11-23 01:57:25 PM (MST).

Step 3

- Slide and hold the release tab on the left side of the battery, so that you can remove the battery.

Step 4

- While holding the release tab, remove the battery slowly.

To reassemble your device, follow these instructions in reverse order.
