

ASUS Padfone X mini Station Slider Connection Replacement

How to replace a ASUS Padfone X mini Station slider connection.

Written By: Alexzander Pastore

INTRODUCTION

Does the phone make a poor connection when sliding into the station? Follow this guide to replace the slider connector on the station.

TOOLS:

- [iFixit Opening Tools](#) (1)
 - [Tweezers](#) (1)
-

Step 1 — Slider Connection

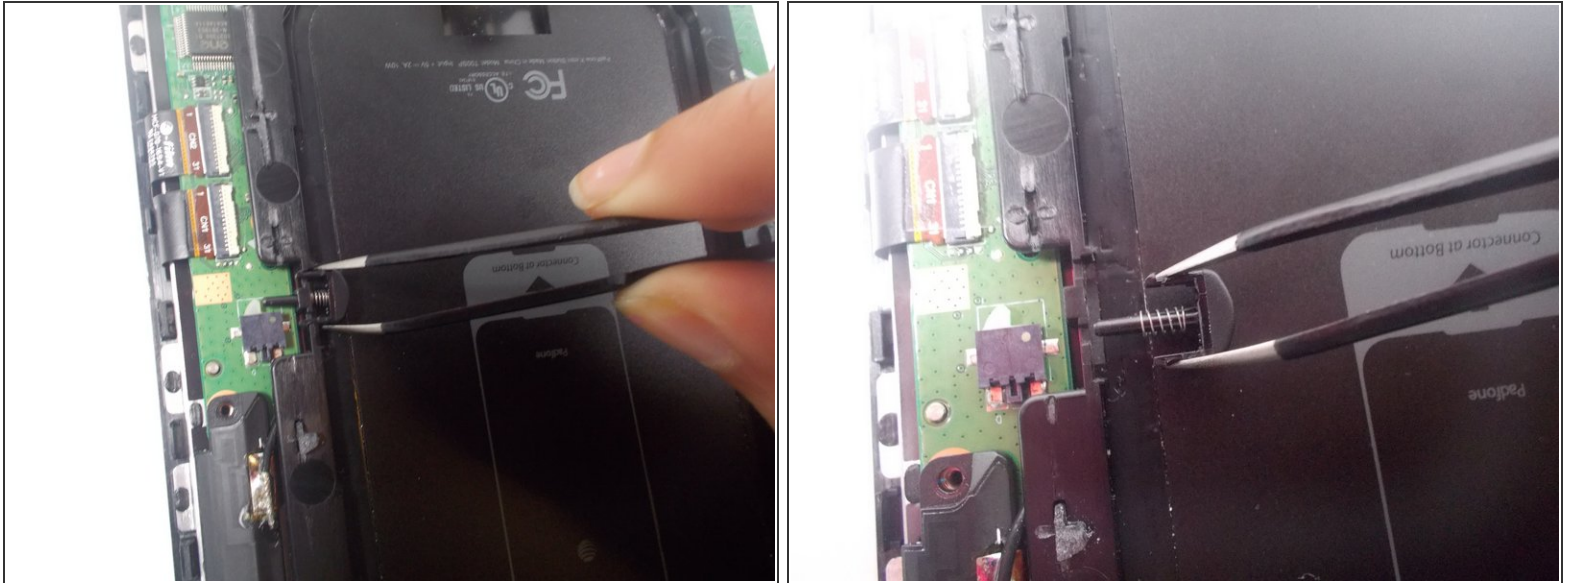

- Insert the plastic opening tool between the edge of the screen and the back cover.
- Gently pry them apart. Use hands to pull them apart if necessary.

Step 2

- Locate the slider connection.

Step 3

- Use tweezers to squeeze and slowly remove the slider connection piece.

To reassemble your device, follow these instructions in reverse order.
