

WowWee CHiP Robot Dog Ball Battery Replacement

How to replace WowWee CHiP Robot dog ball battery.

Written By: Joseph Dantes

 **TOOLS:**

- [Phillips #0 Screwdriver](#) (1)
-

Step 1 — Ball Battery

- Turn the ball so the side with the on/off switch is facing you.

Step 2

- Unscrew the four Phillips #0 screws each located near a corresponding light, and open up the ball.

Step 3

- Unplug wire connectors from the circuit.

Step 4

- Move battery connector away from the rest of the ball.

To reassemble your device, follow these instructions in reverse order.
