

G'z One Boulder New Battery Replacement

If the old battery will no longer hold a charge it needs to be replaced.

Written By: troy

INTRODUCTION

A new battery must be bought.

Step 1 — New Battery

- Turn locking device on back side of phone marked by the rectangle counter clockwise.

Step 2

- Remove battery by grabbing the sides and pulling upward.

⚠ *If battery was malfunctioning due to age or corrosion, there may be battery acid residue on the battery and the back of the phone. Wear gloves in order to prevent skin irritation.*

To reassemble your device, follow these instructions in reverse order.
