

Toyota Sienna Emblem Replacement

How to replace the Toyota Sienna emblem in five minutes!

Written By: Tamerlan Salyk

INTRODUCTION

Sometimes car emblems get either lost or stolen which makes cars look ugly and defective. This easy five-step guide assists you to change the Toyota Sienna car emblem.

Note: this instruction can also work for emblems of other brands.

TOOLS:

- [Clorox Wipes](#) (1)

PARTS:

- [Toyota Sienna Emblem](#) (1)

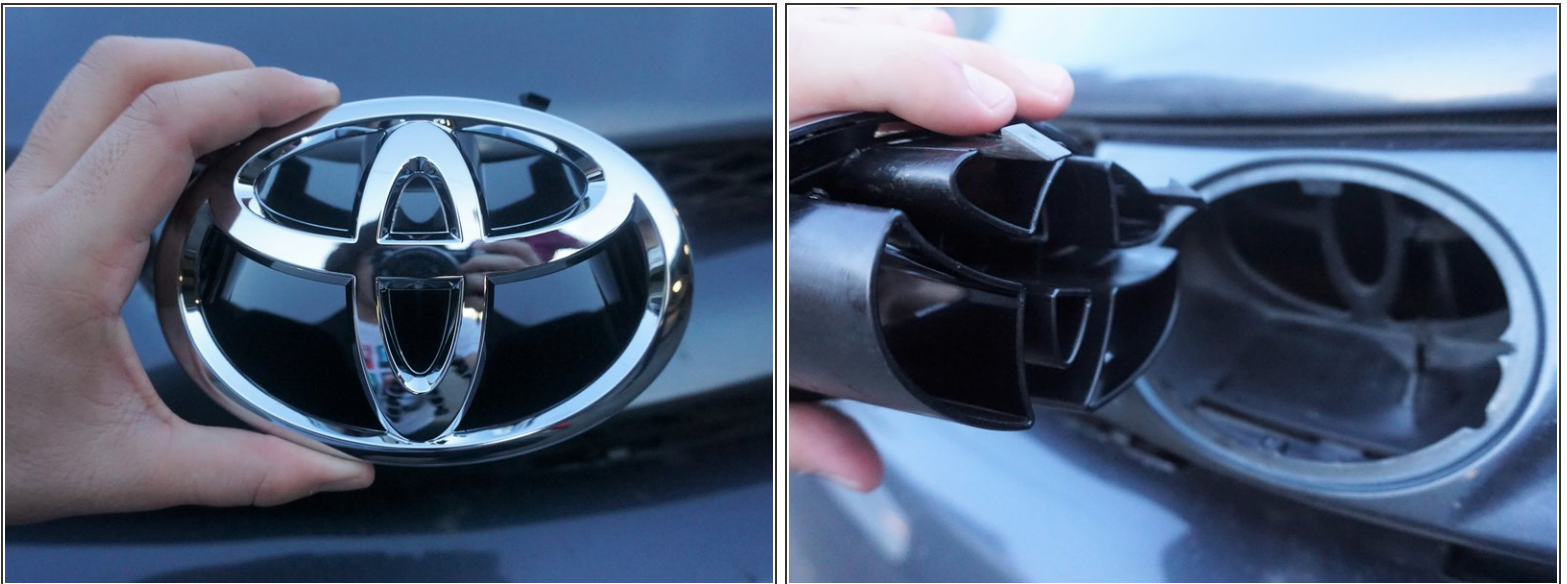

Step 1 — Emblem

i The notch for the emblem is located just below the car hood.

- Clean the notch with disinfecting wipes.

Step 2

- Before inserting the car emblem into the notch, be sure to align the emblem with the notch's grooves.

Step 3

- Gently press on the edges of the car emblem to attach it to the car.

⚠ Potential for device damage: Don't push too hard on the emblem to avoid damage!

Step 4

- After the emblem has been successfully installed your car looks full-fledged just like at the moment you purchased it.
