

Gateway KAV60 LT2016U Battery Replacement

Gateway KAV60 LT2016U battery replacement.

Written By: Lydia Benjock

INTRODUCTION

Replacing the battery is an easy fix if your netbook won't maintain a charge.

Step 1 — Battery

- Unlock the tab located in the top left corner of the netbook.
 - The red tab indicated that the battery has been properly unlocked.
 - Remove the battery.
- i** When working with electronics, it is always wise to remove the power source before taking the device apart.

To reassemble your device, follow these instructions in reverse order.
