Step 1 — Huawei Ascend D2 wipe data / factory reset

- Switch off the phone.
- Press and hold the Volume Up, Volume Down and Power button.
- When you see the Ascend logo release the Power key but continue holding Volume Up/Down keys.
- Use the Volume Up/Down keys for navigation and the Power On key for OK.
- Select one by one: - "wipe data/factory reset" - "Yes -- delete all user data" - "reboot system now"

To reassemble your device, follow these instructions in reverse order.
