

HTC EVO 4G Battery Replacement

This guide will instruct on how to replace the battery.

Written By: Sage Jurado

INTRODUCTION

This guide will show you how to replace the battery in a few steps.

PARTS:

- [iFixit Opening Tools](#) (1)
-

Step 1 — Battery

- The first step is to remove the back case of the phone preferably with a plastic opening tool.

Step 2

- The next step is to remove the battery from the phone by carefully lifting it out with your fingers.

Step 3

- Set the battery aside.

To reassemble your device, follow these instructions in reverse order.
