

LG VX5400 Battery Replacement

It only takes three steps to replace the battery of a LG VX5400

Written By: Sourabh

INTRODUCTION

This is a guide to remove the battery in order to install a replacement battery.

Step 1 — Battery

- Turn off the cell phone and turn it over on its back side

Step 2

- Hold the phone case in your palm and slide the back cover towards yourself using your thumb

Step 3

- Slide a tool or finger into the notch at the top of the battery to carefully remove it.

To reassemble your device, follow these instructions in reverse order.
