

Motorola Droid Mini Back Case Replacement

This guide will show you the steps in replacing the back case of your Motorola Droid Mini.

Written By: Arielle

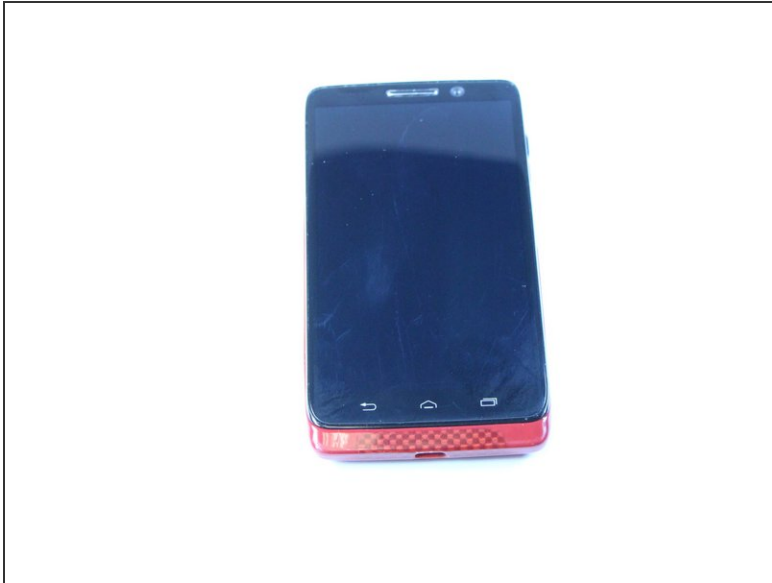

INTRODUCTION

The back case of the Motorola Droid Mini is plastic and can be easily cracked. Replacing this back case is simple and requires only one tool.

TOOLS:

- [iFixit Opening Tools](#) (1)
-

Step 1 — Back Case

- Pull out the volume keys using the plastic opening tool.

Step 2

- Use the plastic opening tool to gently pry off the back case. Make sure to go around the entire perimeter of the case.

To reassemble your device, follow these instructions in reverse order.
