INTRODUCTION

To complete this guide, you will need to purchase a replacement battery. For your convenience, we have provided a link to Amazon.com where you can purchase this component.

PARTS:

- [JVC BN-VH105US Battery Pack](#) (1)
-

Step 1 — Battery

- Find the side of the camera that looks like this.

Step 2

- Push down on the black switch.

Step 3

- While still pushing down on the black switch, slide back the battery cover (see photo for direction).

Step 4

- Push the cover up to open the battery compartment, and then push the blue battery release switch.

Step 5

- You can now take the battery out of the camera.

To reassemble your device, follow these instructions in reverse order.
