

BlackBerry Tour 9630 Battery Replacement

Replace your damaged or dead BlackBerry Tour 9630 battery with a new one.

Written By: Mia

INTRODUCTION

If your phone will not turn on or charge, there is probably something wrong with your battery. Use these step-by-step instructions to replace the battery from your BlackBerry Tour 9630.

PARTS:

- [BlackBerry Tour 9630 battery](#) (1)
-

Step 1 — Battery

- Flip phone over so the back side is facing up.

Step 2

- Push up on the center silver button to release the back cover.
- Remove the back cover.

Step 3

- Grip the battery where the light grey half circles are located and pull up on the battery.
- Remove the battery.

To reassemble your device, follow these instructions in reverse order.
