INTRODUCTION

Follow these easy steps to remove the battery from Toshiba Tecra 8200.

Step 1 — Battery

- ⚠ Turn off the device and unplug the power cord.
- To remove the battery, flip the device, so that the bottom is facing upward.

Step 2

- Slide the battery to the right side until you hear a click.
- Carefully remove the battery from its compartment.

To reassemble your device, follow these instructions in reverse order.
