

Motorola V557 SIM Card Replacement

This guide has step by step instructions necessary for removing the SIM card from a Motorola V557 cell phone.

Written By: Alex Georges

INTRODUCTION

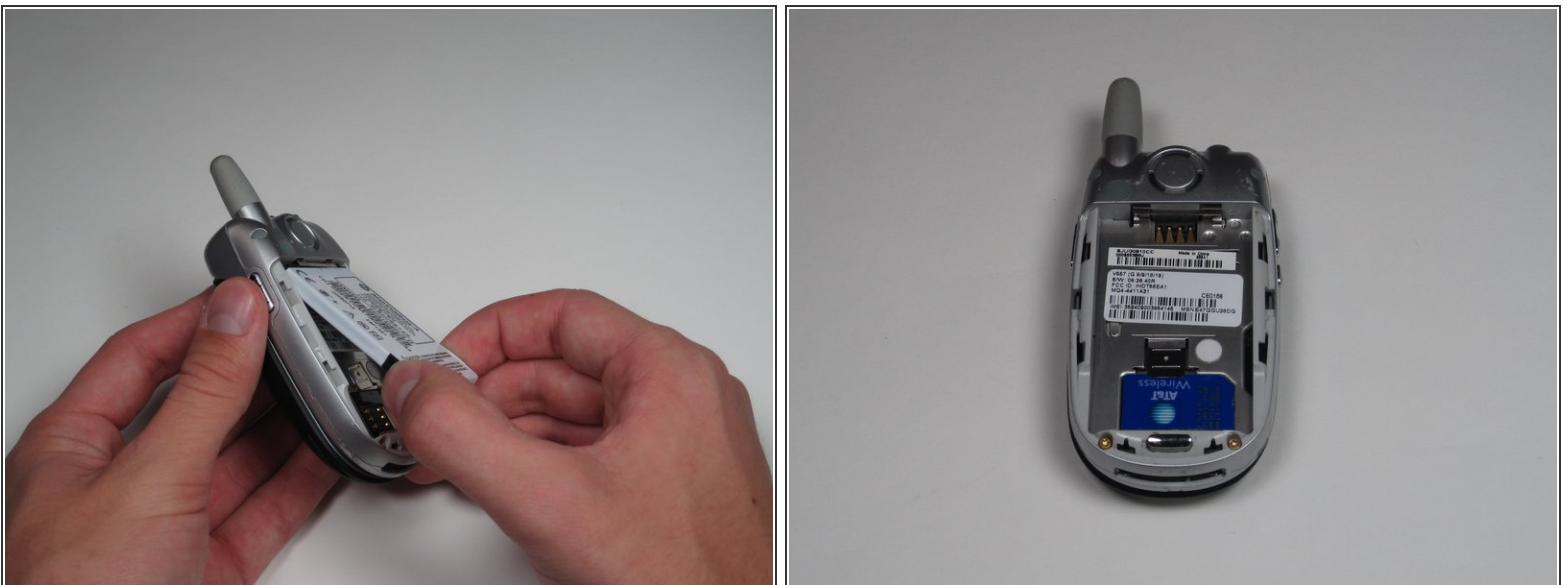

The SIM card lies behind the battery.

Step 1 — Battery

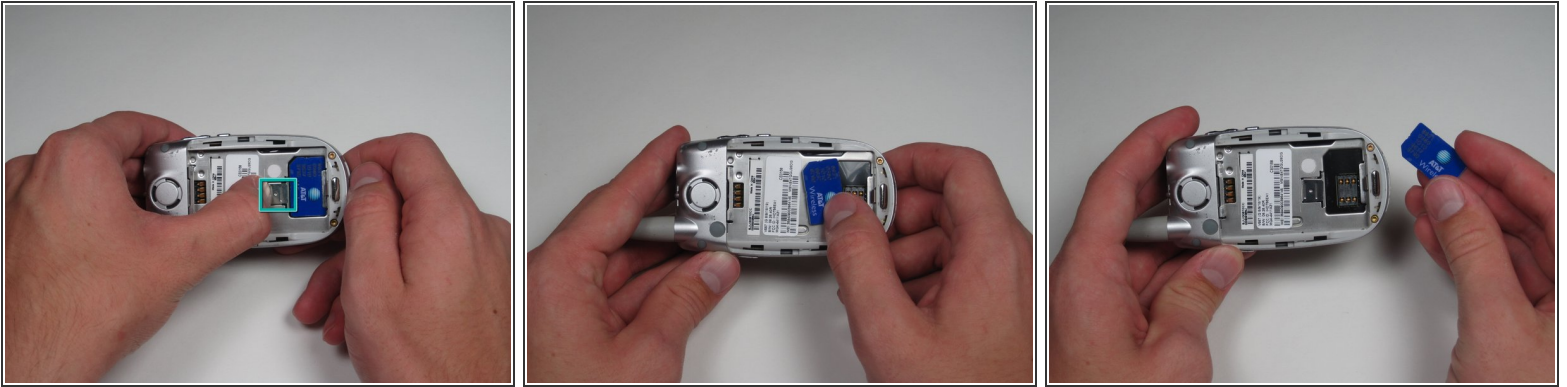

- Push down on the silver button while sliding the back plate down to reveal the battery.

Step 2

- Grab the lower edge of battery at the black areas and pull upward on the edges to remove it.

Step 3 — SIM Card

- Move the the metal slider towards the top of the phone until it clicks out of its original position.
- Slide out and remove the SIM card.

To reassemble your device, follow these instructions in reverse order.
