

1985-1988 Volvo 740 air filter replacement

Replacing the air filter on the intake of the car.

Written By: Isaac Nitschke

Step 1 — Air Fliter

- Pull the four clips away from the filter cover to unlatch them.
- Remove the air filter cover.

Step 2

- Replace the old filter with a new one.
- Re-latch the four clips to secure the new filter.

To reassemble your device, follow these instructions in reverse order.
