You will remove the battery.

Written By: Toni Pipes

## INTRODUCTION

You will use a lock to take out the battery.

## Step 1 — Battery

- Place the laptop so the back cover is facing up.

## Step 2

- Push the lock to the right to pop out the battery.
- ⓘ We did not have a battery for this computer, so there is no picture for that part.

To reassemble your device, follow these instructions in reverse order.
