

# Disassembling Nokia 3395 Back Case

Remove the rear cover

Written By: bushing

## INTRODUCTION

This guide will show you how to remove the back cover to replace the battery or perform other repairs.

## Step 1 — Back Case

- Hold the phone and push the white button with your thumb.
- While pressing the button, slide the back plate up (towards the top of the phone) and off the phone.

To reassemble your device, follow these instructions in reverse order.
