

Shark Navigator Roller Brush Compartment Replacement

Disassemble the roller brush compartment on your Shark Navigator.

Written By: Jeremiah Shyne

INTRODUCTION

Use this guide to disassemble the roller brush compartment on your Shark Navigator.

TOOLS:

- [Essential Electronics Toolkit](#) (1)
-

Step 1 — Roller Brush Compartment

- Pop out the two small wheels located on the front end of the bottom of the roller brush compartment.

Step 2

- Remove the 10 Phillips screws located on the bottom of the roller brush compartment. (Two of these screws are located under the wheels from the previous step.)
 - ☑ The screws have varying lengths, so keep track of where each one goes for reassembly.

Step 3

- Remove the white plastic cover to expose the roller compartment underneath.

To reassemble your device, follow these instructions in reverse order.
