

Nexus 9 Rear Case Replacement

Replace the rear case.

Written By: Geoff Wacker

INTRODUCTION

Use this guide to replace the rear case on your Nexus 9.

PARTS:

- [Nexus 9 Rear Panel](#) (1)
-

Step 1 — Rear Case

- With your fingers, carefully pry off the back plastic casing. Starting at the corners is usually the easiest.
- ⓘ The rear-facing camera seems to fit a little too snugly in its compartment on the rear case; so make sure that it stays connected to the motherboard.

To reassemble your device, follow these instructions in reverse order.
