

Samsung Moment Battery Replacement

This guide will help users identify and remove the battery within the Samsung Moment.

Written By: Marissa Carbone

INTRODUCTION

This guide will be helpful for anyone who is having trouble turning on their Samsung Moment as well as anyone who has problems charging the battery.

Step 1 — Battery

- Slide the back cover off the back of the phone to reveal the battery.

Step 2

- Place a finger in one or both of the indents by the bottom of the battery. Then pull out to remove the battery from the phone.

To reassemble your device, follow these instructions in reverse order.
