How do I replace a sternum strap on my backpack?

The following instructions will show you how to replace the sternum strap on your backpack.

Written By: VAUDE Reparaturteam
INTRODUCTION

If the sternum strap comes off of its rail or gets lost, you can easily replace it.

PARTS:

- VAUDE Chest belt for backpacks (1)
- VAUDE Chest Belt for Kids (1)
Step 1 — Sternum strap on backpack

- Guide the new sternum strap onto the thin end of the rail.

Step 2

- Guide the other side of the sternum strap onto the thin end of the rail and position it.
