

Samsung NP R580 JBB2 Battery Replacement

This guide will show you how to replace the battery in your Samsung NP R580 JBB2.

Written By: Brian Adamson

INTRODUCTION

This guide will teach the user how to disassemble and repair their Samsung NP R580 JBB2.

Step 1 — Battery

 Power off laptop before starting.

- Find the battery latches.

Step 2

- Move the battery latches outwards into the unlocked position and grasp the battery latch.

Step 3

- Slide the battery pack upwards out of the battery housing.

To reassemble your device, follow these instructions in reverse order.
