

Meizu M3s display replacement

In this video I want to show you how to replace the display assembly on a Meizu M3s

Written By: gwsLabs

INTRODUCTION

In this video I want to show you how to replace the display assembly on a Meizu M3s.

TOOLS:

- [Phillips #000 Screwdriver](#) (1)
- [Heat Gun](#) (1)
- [P2 Pentalobe Screwdriver iPhone](#) (1)

PARTS:

- [New Item](#) (1)

To reassemble your device, follow these instructions in reverse order.
