

Samsung SmartThings Hub Battery Replacement

This guide outlines a procedure for battery replacement.

Written By: Erin

INTRODUCTION

This guide outlines a procedure for replacing the batteries in the Samsung SmartThings Hub.

Step 1 — Battery

- To open your device, gently slide the grey bottom cover in the direction of the arrow as shown.

Step 2

- ✦ Remove any existing batteries.
- Insert four fully charged "AA" batteries into the tray, making sure to orient them correctly,

To reassemble your device, follow these instructions in reverse order.
